

**Military Surface Deployment and Distribution Command**  
**Customer/Carrier Advisory**  
**December 20, 2012**  
**CA-12-12/20-0210**

**Subject:** Immediate Nationwide Non-use of: Association of Government Transportation (AVCL); Crimson Express (CMBY); C2C Transportation Inc. (CTBA); Dayspring Transportation Inc (DYDO); Express Military Transport Inc (EXBC); Heavy Haul Transport (HHTP) a/k/a Heavy Haul, TPT; L.O. Transportation Inc. (LOEC); T.C.I. Freight Systems (TCOD); Transcon Inc. (TSCN); U.S. Transport (USTH) a/k/a U.S. Transport Freight Systems (USTN) a/k/a US Transport Heavy Haul; Military Freight Haulers Inc. (MYDW); BMT a/k/a BMT Trucking; and U.S. Freight Systems.

**Purpose:** To inform all DOD shipping offices that AVCL, CMBY, CTBA, DYDO, EXBC, HHTP, LOEC, TCOD, TSCN, USTH, USTN, and MYDW have been placed in immediate nationwide non-use.

**Be Advised:** Effective immediately, the above listed carriers are placed in nationwide non-use for the movement of DOD freight. These companies are currently on the excluded parties list available at: <https://www.epls.gov/>, a publication of the General Services Administration that contain the names of contractors debarred, suspended, proposed for debarment, or declared ineligible by any agency of the Federal Government. These companies may not conduct business with the federal government as an agent or representative of other contractors. All DOD shippers are strictly prohibited from the use of above carrier for the movement of government freight. This action will remain in effect until further notice is provided.
